I really got scolded in there...
If there's something you want to say, you should have a normal dialogue...
You can't just throw balls at people's faces.
Although...
To be honest, when you threw that ball at Matsuhara-sensei's face...
むふ
I was actually relieved.
.....
Sensei, you're not a very good adult
.....
You're right...
The two of us should probably learn to be proper adults...
Around that time
Yesterday I finally drank some black coffee.
Uuuu
You're so cool, Takashi! You've become a proper adult now!
